

Noreen Browne

Academia 2010

Noreen Browne
Guidance Counsellor

Noreen has worked as a Guidance Counsellor since 1984. She has worked in a secondary school in Thurles Co. Tipperary and Newcastle West, Co. Limerick. Her primary degree was in Irish and Cognate Studies(UCC) followed by Diploma in Guidance(UCD) and Higher Diploma in Education(UCC).

The work of the guidance counsellor in a secondary school is both varied and enjoyable. There are three main areas involved in guidance and counselling- personal, social, educational and career guidance counselling.

Noreen was a member of the National Executive and is a member of the Kerry Branch of the Institute of Guidance Counsellors.

She is looking forward to sharing knowledge and ideas for best practice in the area of guidance and counselling for students with special needs with colleagues in Finland. Noreen is delighted to be part of the Academia 2010 programme.
